Join us in the virtual, instructional, and interactive gospel music experience. We will discover the meaningful and deep-rooted origins of gospel music. We will celebrate the rhythm, beauty, and Christian message that will be a force for real and positive change in our world today. We will explore music as a cultural language and introduce the development of an analytical, creative, and intuitive understanding of gospel music. Participants will be engaged, enlightened, and receive a strong foundation and comfort level for singing gospel music!

**Your active participation will be a blessing.**

Fernando G. Little has served as Minister of Music and Church Arts for St. Mark's United Methodist Church since 1999.

Fernando has oversight and administrative responsibility for five choirs, three liturgical dance teams, drama ministry, instrumentalists, and the Audio/Visual Ministry.

Dr. Tiffany A. Little currently serves as the Associate Minister and Director of Choirs at St. Marks United Methodist Church. In her role as Associate Minister she provides assistance in pastoral care and leads Stephens Ministry. In her role as the Director of Choirs she assists the Minister of Music (her husband) with the music and Church Arts ministry.
