

Property Projects for All

Choose a project, email Sandy Torrence (bbq1643@me.com) to let him know you are taking it on and your timing -- and go to work! Involve as many assistants as you need

- | |
|--|
| 1. Spread new white rock along the side of the campus ministry wing that faces the courtyard area. |
| 2. Spread mulch around the Japanese maple tree in the center of the courtyard. |
| 3. Spread the mulch to be delivered this week in front of the admin wing. |
| 4. Rake the mulch away from the interior of the playground fence so that mulch containment measures can be installed. |
| 5. Weed the bed of irises at WSH. If needed, transplant irises to other locations at the house. |
| 6. Remove all dead bushes that surround the parking lot and driveways. |
| 7. Vacuum and dust the entire sanctuary. |
| 8. Fill all holes in the Sunday school wing walls with spackle in preparation for painting. |
| 9. Paint the Sunday school wing hallways. |
| 10. Fix and paint the walls in the front conference room by the offices. |
| 11. Clean out the attic above the campus ministry wing and throw all the junk away. |
| 12. Help Sandy run a new Ethernet cable down the preschool hallway ceiling for a back up line for the wireless bridge. |
| 13. Install countertop and sink in admin wing bathroom. (All parts on hand) |
| 14. Paint the admin wing bathroom walls. |
| 15. Clean the gutters of the church and WSH. |
| 16. Install washing machine and dryer at Wubben Smith House (already in place) |
| 17. Vacuum, dust and clean Wubben Smith House |
