

CASA CONNECTS MEMBERS TO THE HEART OF CALIFORNIA'S CLEAN WATER COMMUNITY

For over 60 years, CASA has been connecting California's clean water agencies through advocacy, leadership and education. Membership in CASA places your organization in an extraordinary group of leaders dedicated to the advancement of clean water.

CASA MEMBERSHIP BENEFITS

LEGISLATIVE ADVOCACY

REGULATORY ADVOCACY & ISSUE INFORMATION

ESSENTIAL INFORMATION

LEGAL ADVOCACY

ACCESS TO DECISION-MAKERS & SUBJECT MATTER EXPERTS

REGULAR COMMUNICATIONS

NETWORKING WITH YOUR PEERS, ELECTED OFFICIALS & SPECIALISTS

When it comes to laws and regulations affecting clean water agencies, the most important action your organization can take is to increase your influence with decision makers.

- CASA advocates for our members at the State Capitol, in Congress and with the regulatory agencies that implement the laws.
- We track and sponsor key legislation which impacts your agency, advocate directly with state and federal officials through testimony, comment letters, white papers and fact sheets.

CASA

CONNECTS YOUR AGENCY'S PRIORITIES TO DECISION MAKERS & KEEPS YOU CURRENT WITH WHAT'S HAPPENING AT THE STATE & NATIONAL LEVELS.

CASA

CONNECTS YOU TO YOUR PEERS, SECTOR LEADERS & SUBJECT MATTER EXPERTS THROUGH CONFERENCES, FORUMS, COMMITTEES, WORKGROUP MEETINGS, & WORKSHOPS.

Membership in CASA provides many opportunities to get involved and advocate on behalf of your organization.

- For clean water issues, we provide opportunities to engage with state and federal legislators and regulators, secure private and public support for initiatives and advance emerging practice areas.
- Our meetings provide members with direct access to leaders with the clean water community and the opportunity to discuss challenges and ideas.

Continuing professional development is important in everyone's career.

- CASA conducts quality conferences, policy forums, committees, workgroup meetings and workshops every year. Our members have great opportunities to connect and network with your wastewater peers, sector leaders and subject matter experts.
- Membership also provides access to timely and relevant information, and there are numerous opportunities to join committees and serve in leadership positions within the organization.

CASA CONNECTS MEMBERS TO TIMELY & RELEVANT INFORMATION

Everyone has that moment when they turn to the internet to find information and hope the answers are relevant and verified. CASA provides members with easy, anytime, anywhere access to reliable resources and information that is accurate and useful to support your organization's everyday needs. In addition, our staff of subject matter experts stand ready to connect you with the right people to address your questions.

CASA connects you to on-demand resources & expertise.

TYPES OF MEMBERSHIPS:

Member

A California public agency or public organization authorized by law to engage in the collection, treatment or disposal of wastewater, resource recovery or the reclamation of water may become a CASA member.

Associate Member

Individuals or organizations with a legitimate interest in the welfare of CASA and its mission and strategic goals may join as an associate member. Associate members include law firms, engineering and consulting firms, and specialty product developers and manufacturers.

ABOUT US

California Association of Sanitation Agencies (CASA) is California's leading organization dedicated to protecting public health and the environment through effective wastewater treatment. CASA identifies issues and solutions affecting clean water agencies and tackles them through advocacy, leadership and education. Our member agencies provide essential public services that protect water quality and public health. CASA is the most credible and influential leader for California public wastewater agencies.
