CASA MENTORING PROGRAM

Connecting Clean Water Professionals of All Levels from Across the State of California

By offering this new program, CASA is making an investment in:

- o Your professional growth and development
- o Your organization
- o The future of our sector
- o The future of our association

Program Outcomes

Mentees:

- ✔ Greater self-awareness and relationship-building skills
- ✔ Increased confidence in leading conversations with senior-level executives
- ✔ Clarity of professional development goals and career path options

Mentors:

- ✔ Strengthened coaching and feedback skills
- ✔ Transferring experience and knowledge to the next generation to ensure talent engagement and sustainability for this critical sector
- ✔ New insights that stretch you professionally and expand your perspectives

Resources, check-ins and structure are provided by CASA and Core Consulting to set your mentoring relationship up for success!

Commitment Required

- ✔ Total time commitment of approximately 20-25 hours over the course of 11 months.
- ✔ Nine, one-on-one meetings, monthly, Nov 2021 thru July 2022 (can be virtual or in-person)
- ✔ Provide program feedback at four milestone check points
