

CASA's Annual Conference 2021 is Almost Here

## Know Before You Go

### Things to Know Before You Go!

We look forward to seeing those joining us at our Annual Conference next week. We have an exciting line-up of guest speakers plus dozens of sessions to help you turn uncertainty into opportunity. Please refer to this email for a few details as you plan your trip.

Not attending? Be sure to follow us on [Facebook](#) and [Twitter](#) for real-time conference highlights.

### Masks and Enhanced Safety Protocols

Due to the recent rise in COVID cases, and consistent with the most up-to-date CDC guidance, CASA will now be **requiring that all attendees wear facemasks for all indoor sessions** during the upcoming event. For convenience, CASA will provide facemasks at the registration table, or of course, attendees are welcome to bring their own.

In addition to the facemask requirement, CASA is **requesting that all attendees be vaccinated or have a negative covid test within 72 hours** of attending the event. While CASA will not require proof of vaccination (or recent negative test), we trust that attendees will abide by these guidelines for the safety of fellow attendees, colleagues, and hotel staff. Finally, as a reminder, anyone feeling sick or displaying symptoms of COVID-19, or who has been in contact with someone who has tested positive for COVID-19, should refrain from traveling and attending the event.

In order to make this event as safe and engaging as possible, we ask that all attendees and staff adhere to the guidelines above, and we appreciate your help in making that happen!

### Plan Your Visit

The weather in San Diego should be warm and sunny with temperatures in the high-70s all week. Conference attire is business casual so pack accordingly. Check out this year's [program](#) to create your personal itinerary for the conference.

### **Upon Arrival**

The [Hilton San Diego Bayfront](#) is about three miles from the San Diego International Airport. Although the hotel doesn't offer a complimentary shuttle service, taxis, Lyft and Uber are available for transportation to the hotel.

Registration begins at 9 a.m. on Wednesday, August 11. We can't wait to see you there! If you have any questions, please contact [Cheryl MacKelvie](#).

### **Conference Mobile App**

Keep an eye out for an email later this week about CASA's mobile app, where you can find all conference resources at your fingertips including the program, attendee list, speaker bios, and more!
