

Executive Summary

The Congregation Assessment Tool was recently administered in your church. 88 persons were invited to participate; of these, 55 persons responded. A response from every member is not required to provide valid results. For a complete readout, please review the Vital Signs report that was sent to your church. A summary of that report is provided below.

Overall, approximately 81% of your members are clearly satisfied with things in the church. This, along with other information, indicates that the church has options which include growth, expansion, replication, and external impact. Whether any of these will be realized depends on the choices made.

Not every question is of equal importance to members. When asked how satisfied they are, members tend to focus on the issues addressed in the questions below. When they feel more positive in these areas, they tend to feel more positive overall.

- **The worship services at our church are exceptional in both quality and spiritual content.**
- **Our church does a good job helping each member understand that he or she is called to ministry.**
- **Our Pastor helps us accomplish our mission by bringing out the best in everyone.**
- **Our church provides opportunities for members to engage in active ministry within the church and to the world.**
- **Being part of this church community has given new meaning to my life.**

Conversely, when your members feel less positive about the areas above, they tend to feel less satisfied with their experience in the church overall.

Every church exhibits patterns in its life that contain strengths and potential weaknesses. Your church has potential strengths related to inclusiveness and advocacy. Potential weaknesses include a tendency to intellectualize every issue and difficulty in establishing identity and vision.

As members look to the future, their top four goals are

- **Develop and implement a comprehensive strategy to reach new people and incorporate them into the life of the church.**
- **Create more opportunities for people to form meaningful relationships (for example, small groups, nurtured friendships, shared meals, etc).**
- **Strengthen the process by which members are called and equipped for ministry and leadership.**
- **Provide more opportunities for Christian education and spiritual formation at every age and stage of life.**

In comparison to other churches, three goals that are unusually strong for your church are

- **Adapt the opportunities provided by the church making them more accessible given the pace and schedule of my life. (i.e. online education, early morning classes, lunch discussions)**
- **Strengthen the process by which members are called and equipped for ministry and leadership.**
- **Create more opportunities for people to form meaningful relationships (for example, small groups, nurtured friendships, shared meals, etc).**

These may warrant attention from the leadership even if they are mid-level priorities.

All the information in this report should be explored and validated in further conversation. **Survey data is not the end of a conversation but the beginning.**
