

Sponsorship program

Since 2010, the NABE Transfer Pricing Symposium has gathered leading professionals from business, government and consulting to discuss and debate some of the most relevant topics in transfer pricing analysis. Attendees will hear from an outstanding assemblage of panelists and enjoy ample opportunities to network with transfer pricing colleagues from many organizations and perspectives.

The NABE Transfer Pricing Symposium provides excellent opportunities for your company to increase its visibility through sponsorship of a networking break, symposium luncheon, continental breakfast, or cocktail reception. The various levels of sponsorship include a wide range of promotional tools to maximize the impact of your investment; however, the NABE staff can work with you to tailor a sponsorship to meet your company's specific goals.
