## Sponsorship program

The NABE Econ + Law Summit is NABE's newest annual event, created to bring together leading economists, attorneys, and policymakers at the intersection of economics and the law. Hosted at Johns Hopkins University's Bloomberg Center in Washington, DC, the Summit will convene senior practitioners and rising talent to explore cutting-edge issues in litigation, regulation, and expert practice.

The NABE Econ + Law Summit provides excellent opportunities for your company to increase its visibility through sponsorship of a networking break, breakfast, or cocktail reception. The various levels of sponsorship include a wide range of promotional tools to maximize the impact of your investment; however, the NABE staff can work with you to tailor a sponsorship to meet your company's specific goals.
