*Confirmation is typically in the month of May, with the rehearsal the day before the actual ceremony. We will have these dates in November once the bishops have made their schedules.

*There will be other Mission Trek dates for Service, please pay attention to your emails for updated dates.

*Yes Both the High School and Middle School Retreat are the same weekend at the same place! Confirmation students must attend the retreat. All other students are heavily encouraged to participate in this opportunity!

*To participate in Confirmation preparation you need to have participated in Edge/Lifeteen last year or attended Catholic school. If you do not meet either of these requirements please register for Edge/LifeTeen this year and in 2025-26 you can register for Confirmation/
