

## NATURALLY INCLINED BY BERMY DISTRIBUTORS TO DONATE APPROX. \$15K IN ELECTROLYTE BEVERAGES...

PRESS RELEASE - March 30, 2020

Naturally Inclined, a division of Bermy Distributors will be donating approximately \$15,000 in GLOW Electrolyte Beverages to various outlets throughout the Island. "We will be donating up to 33 cases of each of the flavours of GLOW Electrolyte Hydration and Energy Drinks."

Their focus will be getting the products to those who need them most: Individuals and groups that are working long hours; the various constabularies; and especially those that need the beverages but are unable to afford them in these economic times.

GLOW is a unique Hydration beverage, filled with electrolytes, antioxidants, herbs, essential vitamins and minerals. Hydration is paramount for those who have a weakened or compromised immune system to allow for the efficient delivery of nutrients throughout the body.

"Get sleep, **stay hydrated**, wash your hands"

-VCU Expert, Gonzalo Bearman on dealing with Corona Virus
