The bigger your results, the easier it is to share your story and enthusiasm. So, you can think about it this way - you basically get paid to be happy.

When you set a goal, create the strategy and then MAKE IT HAPPEN!
The journey can be fun and enlightening.
The rewards can be valuable, even life changing.
That is certainly the potential you have with your Elepreneurs business!

The GOOD NEWS is that there are no boundaries, no ceilings and no limits.
The BAD NEWS is that there are no boundaries, no ceilings, and no limit.

So, we're going to help you create a plan ...
a little structure for your activities and a little focus for your outcomes.

Subject: Ready to create some curiosity (Sarah)?

(Sarah) -

Social media is one of the wonders of the modern marketing world. It is a powerful tool that can be used or misused. Our team of field leaders have learned the "dos" and "don'ts" through many years of trial and error. We want to make sure you don't make any unnecessary mistakes. Importantly, we want to show you what REALLY WORKS when sharing on Facebook.

It all starts with creating curiosity.

Ready to learn how it works?

Here's the blueprint:

[Sharing the Products and the Business](#)

Here are Lori and West Benson to walk you through the system:

Now you know what to do. The knowledge is essential. But it's the ACTIONS ... the immediate, consistent, and massive ACTIONS that will take you onward.

As you share about the benefits of the products, you will find that some people are interested in the business as well. Here is the link you want to share with them:

Plan. Do. Measure. Adjust.
This simple 4-step process is the key to efficiency in your business.

If you can't measure it, you can't improve it. That's why we worked with our top leaders to create a simple "tracker" sheet for your daily activities.

Ready to SEE what's working and what's not in your business?
Here's your Daily Tracker:

[Daily Tracker](#)

Here are Brittany & Joseph Beck to walk you through the worksheet:

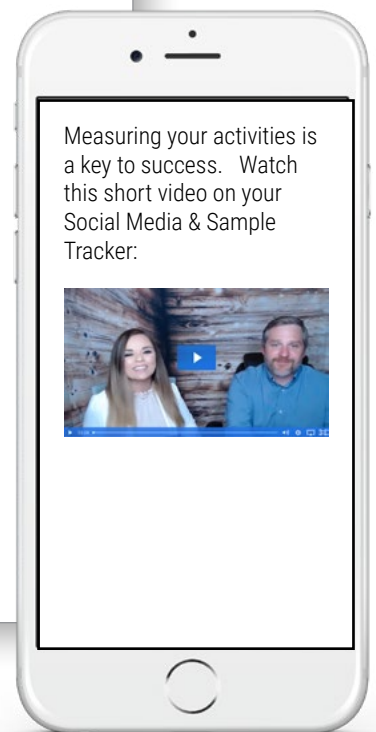

Your commitment to your business is your commitment to your DREAMS.
Every day you decide if you are going to EXPAND what is possible.
Every day you decide if you are going to be BETTER than yesterday.

Be clear on your intentions and your actions will follow.

BETTER Every Day!
Your Corporate and Upline Success Team

A walking billboard? Yes! A walking billboard.
Become a walking billboard (a visual representative) for health, happiness, and fun.
Check out what can happen when you use Elevacity products CONSISTENTLY:

Anthony & Kelly – “I’ve noticed how much more affectionate we are.”

Andrea – “In 8 months I lost 65 pounds.”

Kim – “Happy Coffee gives me a feeling of excitement every day.”

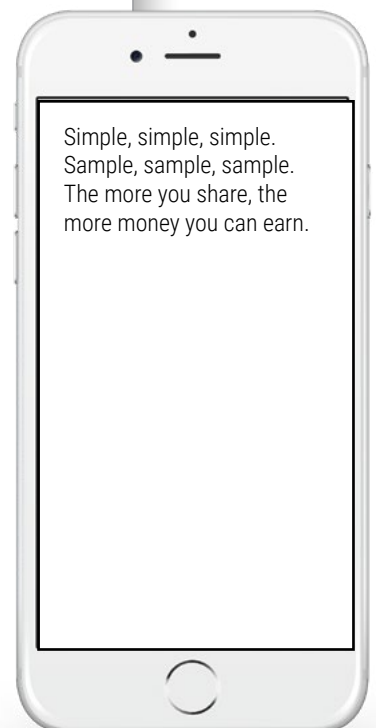

You’ll love this:

The better you feel >> The more you want to share.
The more you share >> The more people you help >> The more money you can make. When you use the products every day, you can make a difference AND make a living!
So, the more consistently you use the products and the more passionately you live the “happiness lifestyle” ... the more success you will have!

Simple. Fun. Happy. BOOM!

After just a few short weeks, we hope you already see the possibilities of this business ... YOUR business. Here are a few quick stories from people just like you. They started from zero and are now living life at the next level.

Melissa – “I’ve become a Yes mom.”

Nancy & Enrique – “It’s been a life-changing turnaround for us.”

Tara – “Everyone loves coffee, so people re-order every single month.”

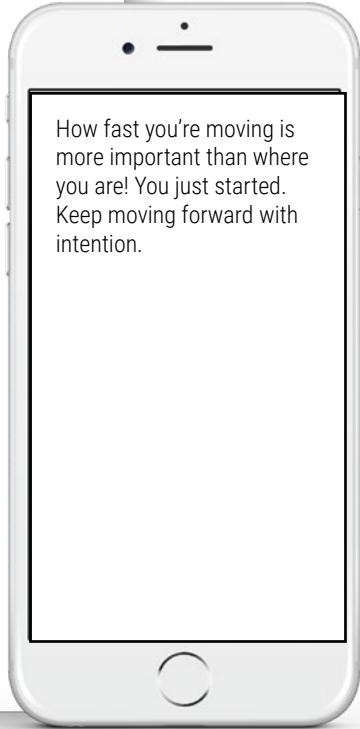

What does “life elevated” mean for you? Is it something practical like lowering your credit card debt or starting a college savings account? Or is it something even more significant like moving to a house or changing careers? Get clear. Then get GOING!

Onward and Upward!
Your Corporate and Upline Success Team

WORDS OF WISDOM

Struggles can either DEFINE you or REFINE you.

How fast you're moving is more important than where you are! You just started. Keep moving forward with intention.

ELEPRENEURS™

(Sarah) –

This is a business you do FOR yourself, but not BY yourself.
There are so many people rooting for you!
There are so many people on your team ready to help you succeed!

It's a good time for a quick check in.
Do you feel happier? Have you lost any weight? Are the products helping you?
Have you been posting on Facebook and sharing samples?
Are you plugging in and getting the support you need?

If it's working, keep doing what you're doing!

If it's not, then ask for some help or put in a bit more effort.

Check in with us at <https://www.facebook.com/groups/yourdailydoseofhappy/>
Watch us on the "What's Up Weekly" Zooms: <https://zoom.us/j/470838297>
(Usually Wednesday nights at 8 PM Central – but check your email)

And we'll be watching for YOU as we announce rank advancers every month!

We are so proud you invested in yourself to get this far.
Now it's up to you to DECIDE where you want to take this amazing journey ...
and how high UP you want to go!

Best of Success!
