

June 2020

Dear Supporters of Independence Athletes,

Due to the COVID-19 pandemic, we felt it was in the best interest of our athletes to suspend the door to door portion of our annual boosters fundraising campaign.

As this fundraising event is our major source of revenue to support our student athletes, please consider donating using the form below and return in the self-addressed envelope. Deadline to return your donation is July 20, 2020.

We ask that you please be as generous as you can during this difficult time. The 2020/2021 fall sports schedules will be available on our district website www.independence.k12.oh.us once it has been determined when fall sports will begin.

Thank you for your continued support of our student athletes.

Go Blue Devils!

Independence Schools Athletic Boosters
