Dear Jeffrey and Anita,

On behalf of the Community Environmental Council's staff and Board, I want to thank you and the Justice and Outreach Council of Trinity Episcopal Church for your generous donation of \$5,000 on January 27, 2022, in support of Community Environmental Council. We are grateful for your investment and support of CEC's work to innovate and incubate real-life solutions to climate change.

We are proud to share a snapshot of CEC's impact:

- **Certified 24 new UC Climate Stewards**, igniting community and youth activists to engage in climate action work on the Central Coast.
- Successfully advocated for the Community Choice Energy program, which launched in 21 cities across the tri-counties, **giving community members the option for zero-carbon energy**.
- **Prevented over 6 million plastic water bottles from being used** by installing hydration stations at every school within the Santa Barbara, Carpinteria, and Goleta school districts, and beyond.
- Supporting zero-emission transportation efforts by **installing 1,000 public electric vehicle charging stations** and working with low-income communities to increase access to electric vehicles.

Thank you for your generous support of our critical work.

Sincerely,

Sigrid Wright

CEO/Executive Director

MANY MANY THANKS
FOR THIS SUPPORT
