Dear Three, Four, and Five-Year Old Families,

We hope that your child has been enjoying the week so far at preschool as much as we've enjoyed having them!

As you are aware, carpool is a new process for us. We have worked diligently to ensure that it is as safe and efficient as possible. We have found, however, that it is necessary to make some revisions to help improve things, particularly on the days when all classes are in session. The changes that we have made are outlined below and will take effect immediately.

As always, if you have any questions or concerns, please don't hesitate to reach out.

We are so appreciative of your continued patience, support, and assistance!

Thank you!
