

MODERN SCHOOL PORTRAITS

by jen bauldree photography

What is a Modern School Portrait?

Modern School Portraits are a fresh approach to school photos. The background will be light blue and the photos will be simple and timeless. Instead of forcing a nervous grin, I'll encourage them to be themselves to capture genuine smiles and natural expressions. Visit jenbauldree.com/modern-school-portraits for additional example portraits.

When will Jen Bauldree Photography be at St. Francis Preschool?

March 30 and 31

What should my child wear?

Please avoid graphics and neon colors, and all shots are from the shoulder up.

How will I order?

The ordering process is simple and secure. Within 2 weeks of photo day, you will be emailed the link to a password protected gallery. There will be 2-5 images of your child, in color and black & white. You can order prints and digital files directly from the viewing gallery. The gallery will be open for 6 days. **ALL ORDERS MUST BE PLACED IN THAT 6 DAY PERIOD.** Photos will be delivered to your school within 3 weeks.

What safety precautions will be taken?

Photos will be taken outside, with a backdrop set up under a breezeway. No props or toys will be used that can be passed between children. They will sit on a small stool that will be cleaned with Lysol wipes. I'll wear a mask and photograph your child from 6 feet away.
