

**The north wall in the Community Hall is a nice wall. It serves its structural purpose quite efficiently. However, the most important purpose of that wall is not to merely support a surface covered with bland off-white paint. Rather it exists to display the colorful creations,,,**

...of the many artists in the congregation... the UUVC Art Wall.

However, since the April 7<sup>th</sup> quarterly changeover, there are only eight paintings on that wall! Entirely too much off-white surface is showing though! That wall can support 16 artworks. This is the opportunity for all of the UUVC Members and Friends with artistic talents and visions - beginners to professionals - to provide their works of art so that the Art Wall may fulfill its purpose!

The next opportunity to cover as much as possible of the Art Wall's bland off-white paint with new art will be at the July changeover which will take place on Friday, July 7. Please bring your new (or old) artwork to the Community Hall before 10:00 a.m. Remember, it is possible for any artist to provide more than one contribution for the Art Wall.

New UUVC artists are welcome.
