

UUVC ART WALL REQUIREMENTS

Daryl M. Wedwick

Each work of art must be an original piece signed by the artist who must be a UUVC Member or Friend. It must be appropriately framed and have a wire hanger, no sawtooth hangers, please. If canvases of any thickness are gallery-wrapped, the edges of the canvas must be painted. On the back of each work, the artist must attach a tag which lists its title and medium as well as the value of the work for insurance purposes. The tag must also list the name and phone number of the artist. The maximum horizontal measurement is 30 inches.

A Changeover Day will usually be the first Friday of January, April, July and October. Weekend holidays may alter this schedule. Please deliver the art works to the Community Hall by 10:00 a.m. on the designated Friday. Any artwork which has been on display may be picked up by the artist when new pieces are delivered.

Should anyone wish to purchase a piece displayed on the Art Wall, the buyer must deal directly with the artist.
