

Events Team Restructures and Plans – by Cloe Bayer - Continued

Get out your blue jeans, plaid shirts and cowboy boots...

...we are havin' us a good old-fashioned hoedown at the Cortez Pavilion. Details will be announced next month.

In addition, the way our committee operates has been changed. Instead of having a chair and co-chair, each member of the committee will take a turn being in charge of one event, spreading the workload among all of us. So who is in charge if you need to contact someone with a question? Publicity will be handled by Cloe Bayer, liaison to the Board is Dee Offerman, setting the meeting agenda for each month will be Nancy Baumgartner.

This committee is a fun group with great ideas, and we'd love for new people to join us and share their ideas as well.
