As you can imagine, our program was drastically impacted by the pandemic over 2 years ago.

Our "arsenal" of volunteers has had a tremendous decline in numbers. Some folks have retired from service and several have moved out of the area. We are now seeing an immediate need for more regular volunteers, and are asking that you present this request to your committees. Volunteers from the FUMC community have been some of the most caring and reliable folks we've worked with in the past and we'd love to rebuild our team with people from your committees.

To learn more about HTC's mission, please visit <https://www.chicagotemple.org/programs/homelessministry>. Individuals interested in volunteering can contact our volunteer coordinator, Cheryl Gouldsby-Wolfe, at homelessministryvolunteer@gmail.com. All are welcome to show up on Saturday mornings at Grace Place (637 S. Dearborn St.) to see what we do in person.

Prayerfully, your committee will be able to commit to volunteering a couple times a year and that would be a big help!

Thank you.
