November is Lung Cancer Awareness Month

November is Lung Cancer Awareness Month. Let us raise awareness, encourage early detection, and support those affected by lung cancer. Lung cancer can affect anyone, even those who have never smoked. Know the signs, understand your risks, and talk to your healthcare provider about screening.

For more information please visit the CDC Lung Cancer page:
www.cdc.gov/cancer/features/lung-cancer.html

Thank you,

Lauro Sansano III, BSN, RN, CCM
