

"HPV Prevention Works — Are We Doing Enough to Stop These Cancers?"

A Conversation Between Family Medicine and Gynecology on Closing the Gaps in HPV Screening and Vaccination

We hope to see you at our upcoming learning event:

Dr. Vivien Brown

Speaker

Dr. Kimberley Alexander

Speaker

Date:

Saturday September 6th, 2025

Platform:

Zoom

Time:

12:45 pm to 1:10 pm ET

By the end of this session, participants will:

Objectives:

- Understand how rates of HPV-related cancers, including cervical and oropharyngeal cancers, are changing in Canada.
- Learn practical strategies to increase HPV vaccination and cervical cancer screening in their practice.
- Feel confident having clear, effective conversations with patients about HPV prevention.
