Executive Board President

Here we are entering the end of the first quarter of 2025!

Please save the date for the ADOMA 2025 Educational Conference. Thursday August 7th through Sunday August 10th, 2025. The theme of this year's Educational Conference will be, *"Changes in Latitude, Changes in Attitude"* this theme is so fitting as the Conference will be held at the beautiful Margaritaville Resort in San Diego's Gas Lamp District. We have a couple of great speakers lined up, Wells Fargo is speaking to us about Dealership Audits, and we are having a CPA partner speak to us about managing Assets and Liabilities. Proper month end closing procedures to ensure a good clean year end. We are also working on someone to speak to us about reconciling Parts Inventory and managing the appreciation and depreciation of this asset. I am also excited to announce that Mr. Jim Potts has agreed to speak with us at the Educational Conference and Jim's passion for compliance and Employee safety is always a message delivered and received with great excitement.

We have a luau planned for Saturday evening with delicious food and some entertainment. Friday evening you are free to take the trolley all-around San Diego and hop on and hop off the trolley in all the fun locations through out San Diego. Also Friday evening and Saturday evening the San Diego Padres play the Boston Red Sox in San Diego and the ballpark is next to the resort.

So much to do!

If you have not renewed your ADOMA membership, please do so. The Conference Registration forms will be sent out to the members, and they should also be on our ADOMA website. Please make sure to register as soon as possible.
