

## President's Message

**Sherry Hosmer**  
Nissan Buena Park  
Executive Board President

Hello February!

I hope that everyone's year end is underway and going smoothly. I know it is a busy time of the year for everyone. I would like to offer my heartfelt thoughts and prayers to those of you who have been affected by the California Wildfires. This tragedy has touched so many Californians.

It is the time of year to renew your membership with ADOMA. ADOMA is happy to announce that we have not increased the membership renewal fees this year. It is our goal to have as many members as possible to bring education and support through networking with other Controllers and we want it to be affordable for the dealers to allow the Controllers and Office Managers to participate. Please don't forget to renew your membership. If you are already a member and your dealership can donate to the ADOMA organization, the donations/sponsorship would be a great way to support all of the members and assist ADOMA in bringing more content to the members.

The ADOMA Executive Board has been hard at work planning the 2025 Educational Conference. This year we are planning the conference in San Diego at the Margaritaville Hotel Resort. Please save the date for this year's conference Thursday August 7<sup>th</sup>- Sunday August 10<sup>th</sup>, 2025. The registration forms and pricing will be posted soon.

Remember if you know a new controller who would like to attend the conference, but their dealer may not be able to send them, they can send a letter to ADOMA, and the executive board will review the requests received to award a new controller with the Lola Belk Scholarship. See the ADOMA website for details.

The next Executive Board meeting will be held on Saturday February 8<sup>th</sup> at 9:00am at Nissan Buena Park. This meeting will not have a zoom invite. Please feel free to come in person if you wish to join a committee to help plan the conference. We welcome all of the help and support.

Have a great February and stay healthy and safe.

**Sherry Hosmer**

Controller

Nissan Buena Park

President, ADOMA Executive Board 2024-2026
