Preparers?

Pro Se Litigants who want to save money and be in control of their legal lives.

FLORIDA RESIDENTS:

The court process does not have to be thought of as an impossible task anymore. Pro se (self-representation) could be the way for you to go. We are not lawyers; we are a document preparation service designed for the person who wishes to represent him or herself in court proceedings. We cannot by law tell you what your rights or remedies are. We can assist you with and prepare all the required court documents you will need to make your pathway through the court system as simple as possible. We guide you through the court process, making your **pro se** (self-representation) as easy and painless as possible. From there, all you do is submit the documentation to the Clerk of Court and pay the filing fee. Once filed, you will receive a notice of your hearing date, which you may or may not have to attend depending on your particular legal situation.

Important Note: We do not provide legal advice or represent customers in court.

If you need either of those services you must seek the aid of an attorney.

Low on funds but have to proceed?
"Many people who might qualify are unaware that in Florida, low income individuals may apply to the clerk of the court for **Civil Indigent Status**. Based on the application, the clerk determines whether the applicant qualifies, and court filing fees may be waived." Florida Statute 57.082
If an individual does not qualify, there is a possibility for payments to be arranged.
