

Safeguard Hand Hygiene

- Anti-Bacterial Hand Soap that removes 99% of bacteria from hands with conditioners to prevent dry skin – so your employees want to wash their hands
- Hand Sanitizer that kills germs while being gentle on skin for repeated use all day

Microban 24 Hour Cleaners & Spray

- Doesn't just kill 99.9% of bacteria in 5 minutes, but keeps killing them for 24 hours even after multiple touches
- Included on the EPA List N: disinfectants for use against the novel coronavirus SARS-CoV-2

Efficient Equipment = Saving \$\$\$

From accurate chemical dispensing equipment to Energy Star rated dish machines, our efficient equipment saves you money on water and chemicals. We have multiple dish machine options and customizable capabilities to fit your operation's needs.

Peace of Mind Service 27/7/365

- **Non-commissioned:** Our technicians are not rewarded by selling you extra products or unnecessary parts. Our technicians are measured by timeliness, program compliance, and your satisfaction
- **Comprehensive** Every service visit follows a detailed checklist for program compliance and verifies equipment performance and dosage accuracy to keep you running optimally
- **24/7/365 Nationwide Service:** Outstanding technician-to-customer ratio for service when YOU need it the most
