

FREE Dream, Design, Build S.T.E.A.M Camp

The EEC will be hosting a special summer program called *DREAM, DESIGN, BUILD*. This program will be a summer camp experience for students currently in K-4. Students will be engaged in activities that revolve around designing an outdoor classroom. They will help brainstorm and build areas of the classroom like special seating, an amphitheatre and gardens. We will also have special field trips that will incorporate ways to support the environment and reinforce the projects we are working on. This will be a wonderful opportunity to unplug and collaborate

with peers. Students will be able to attend one (2 week) session and depending on the response possibly other sessions. Please indicate your choice below and if you would like to attend more than one session if we have availability.

Child's Name _____ Current Grade _____

Parent's Name _____ Phone _____

Parent Email _____

**you will be contacted by the email address provided above*

PLEASE RETURN TO YOUR CHILD'S TEACHER BY MAY 14, 2021

Please indicate your 1st, 2nd or 3rd Choice
