## PERSON-CENTERED DEMENTIA CARE

### *A Habilitation Therapy Training Curriculum*

New VIRTUAL Training; Visit <https://tinyurl.com/PCDC2020> To Register

The curriculum is a train-the-trainer model created to prepare attendees, already familiar with Alzheimer's and dementia care, to train direct care staff in a wide range of residential and community based care settings. The 7-hour in-person training teaches attendees how to deliver the 13-hour curriculum based on the person-centered model of Habilitation Therapy.

#### INCLUDES

- Nationally recognized peer-reviewed, evidence-based person-centered care approach from the Alzheimer's Association Dementia Care Practice Recommendations
- Eligibility to purchase the Alzheimer's Association essentiALZ® certification for staff

#### COST

#### SCHOLARSHIPS AVAILABLE!

In partnership with AgingME\*, several scholarships of \$600.00 per registrant are available. Priority will be given to one person per agency/company. Additional slots will be offered if available. **Deadline to Register: May 20, 2020**

This project is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) under grant number U1QHP33080-01-00, Geriatrics Workforce Enhancement Program, Year One-total award amount \$749,999.00. This information or content and conclusions are those of the author and should not be construed as the official position or policy of, nor should any endorsements be inferred by, HRSA, HHS or the U.S. Government. \*HRSA funded Geriatric Workforce Enhancement Program (GWEP).
