Option 1: General Survey Promotion

Students in grades 6-12, your perspective matters. The National Be A Teacher Day Coalition is gathering feedback from students across the country about careers in education, and the survey takes less than five minutes to complete. You do not need to be interested in becoming a teacher or involved in a Career and Technical Student Organization to participate.

Option 4: School or Organization Post

We are helping the National Be A Teacher Day Coalition hear directly from students about the future of education. Students in grades 6-12 are invited to complete a national survey about how they view careers in education, the opportunities they have to explore the profession, and the factors that influence their career decisions.

The survey takes less than five minutes, and all students are encouraged to participate.

About National Be A Teacher Day

National Be A Teacher Day is a nationwide initiative led by Family, Career and Community Leaders of America (FCCLA) and supported by the National Be A Teacher Day Coalition. Observed annually on the second Thursday in October, the initiative elevates the education profession, introduces students to careers in education, and helps strengthen the pipeline of future educators.

Visit BeATeacherDay.org to learn more, view free resources, plan an event, and register an event to be featured on the national event map.
