# Legacy High School

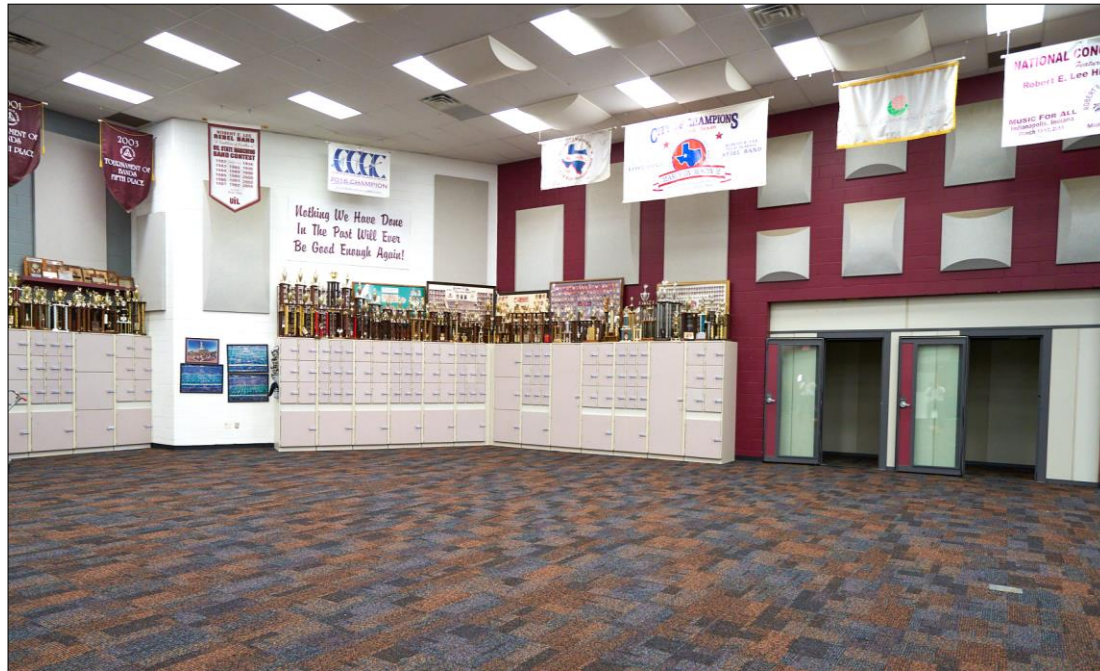

Legacy High School will open its doors for the 2021-2022 school year on August 2, 2021 to approximately 2400\* students. A tremendous amount of work has been done during the months of June and July to rebrand the campus while honoring the significant achievements of students and staff.

The following slides contain pictures provide insight into the work that has been accomplished.

\*Enrollment approximations are based on data as of 07.21.21.

# Legacy High School

New carpet was installed in the band hall, library, orchestra room and main office. The choir room received new vinyl composition tile (VCT).

# Legacy High School

Hallway signage was replicated to include "LHS".

# Legacy High School

Basketball and volleyball teams received a new gym floor and door wraps were replaced.

# Legacy High School

The years 1961 and 2021 were added to the sign recognizing the accomplishments of the Midland Lee Rebels football team. Trophies and awards remain on display in the fieldhouse.

# Legacy Freshman

Legacy Freshman High School will be the home to approximately 950\* students in the 2021-2022 school year. This transition required minimal rebranding; however, the campus received an electronic marquee, window signage and new carpet in the main office.
