

The New England Spine Study Group is committed to ensuring the privacy of individuals and the security of the personal information in its possession. Let us know if you have any questions or concerns regarding the use of Constant Contact or the protection of your personal information.

Purpose, Methods & Use of Collection: Your data is used solely for NESSG communication and outreach purposes- to disseminate information, newsletters, invitations, updates, and other meeting communications such as registration lists where only your name would appear. Data is collected from online sign-up forms, event registrations, your professional organizations, contacts and publications. Your data is not shared with other parties outside of the listed uses without your consent, unless it is required by law.

Personal information collected may include, but is not limited to:

- First and last name
- Email address
- Organization
- Professional credentials/Job title
- Phone number

How we store, maintain, and safeguard your information: Personal information is stored in password-protected spreadsheets on a secure computer, a secure cloud-based storage provider to maintain a backup of your data, and in Constant Contact, our email marketing provider.

Rights of Individuals: Individuals have the right to request access to their personal records for correcting, verifying, changing, or removing personal information. Submit a written request to:
