

Disclosure Information

In accordance with the ACCME Accreditation Criteria, the American College of Surgeons must ensure that anyone in a position to control the content of the educational activity (planners and speakers/authors/discussants/moderators) has disclosed all relevant financial relationships with any ineligible company held in the last 24 months. All reported conflicts are managed by a designated official to ensure a bias-free presentation. Please note that first authors were required to collect and submit disclosure information on behalf of all other authors/contributors, if applicable.

Meeting Name: New England Spine Study Group Winter 2026

Meeting Date: 1/10/26

The ACCME also requires that ACS manage any reported conflict and eliminate the potential for bias during the educational activity. Any conflicts noted below have been managed to our satisfaction. The disclosure information is intended to identify any commercial relationships and allow learners to form their own judgments. However, if you perceive a bias during the educational activity, please report it on the evaluation.
