

Singles Retreat 2024

Camp Ganderbrook is a Historic and beautiful place.

The intent for the Single's Retreat over Labor Day Weekend 2024 is to enable each one to grow into a more complete servant of the Lord Jesus Christ.

- When on the grounds, men and women should be in common areas, such as the Lodge, pavilion or playing fields; or, in their respective "men's" or "women's" areas.
- For the safety and security of each person, men should not go into the women's dormitories etc.; and likewise, women should not go into the men's cabins etc.
- Language and conversation should be wholesome and constructive; foul speaking and joking is not encouraging to anyone, and can rather, inflict harm.
- Ephesians 2:10 states, "For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them."

Please take these guidelines for acceptable conduct seriously, as behavior violating the rules for Camp Ganderbrook will result in dismissal without refund.
