

# Holocaust Survivor Services

**Jewish Family Services** of Middlesex County is a nonprofit agency whose mission, rooted in Jewish values, is to help all individuals and families realize an improved life experience at home, in the workplace, and in the community. We pursue these aims by providing effective social services, counseling, and advocacy through responsive, innovative programs.

JFS, through the help of multiple grants and donations, provides personal care, housekeeping, home-delivered meals, socialization programs, case management, transportation, and other assistance to Holocaust survivors.

# JFS Holocaust Survivor Program

The goal of the **JFS Holocaust Program** is to keep survivors comfortable and safe at home by providing home care and other services.

## Sponsor a survivor

Help support this aging population. Donations directly support dental work, eye glasses, hearing aids, transportation to medical appointments, and other necessities.

## Services include:

- **Case Management**

Survivors are assessed to determine eligibility and to help identify client and family needs for coordination of services.

- **Home Care**

Reliable home healthcare agencies are engaged to provide services such as bathing, toileting, feeding, dressing, meal preparation, cleaning/housekeeping, and more.

- **Kosher Meals on Wheels**

Volunteers deliver hot and cold meals every weekday to homebound seniors with extra meals available for weekends.

- **Transportation**

Volunteer drivers provide transportation to medical and dental appointments, Café Europa, and other socialization functions.

- **Café Europa**

Named after a café in Sweden where Holocaust survivors would meet after the war to find friends and family, JFS Café Europa is a monthly luncheon program. Survivors and their spouses enjoy entertainment and a Glatt kosher meal. Many survivors only feel genuinely comfortable among others who have shared experiences; Café Europa fosters emotional strength while reinforcing social bonds.
