

Take your future in a dynamic direction

At Bank of America, we are committed to helping clients pursue what matters most to them by delivering flexibility and solutions that align resources to their needs, and we're dedicated to attracting and retaining the world's highest quality talent to fulfill our purpose.

We believe in creating a work environment that enables you to exercise your potential for greatness through a global platform of opportunities that will propel you into a meaningful career in financial services.

Advisor Development Summer Analyst Program

The 10-week summer internship provides participants with a firm understanding of the financial services industry, our business and our advisor career paths. Interns will have access to a variety of national learning opportunities as well as business-specific training in one of the following areas:

- Merrill Assignment**
- Financial Center Assignment**
- Consumer Investments Assignment**

Merrill	Consumer & Small Business	
Merrill	Consumer Investments - Financial Center	Consumer Investments – Contact Center
<p>Work with a team of experienced Merrill financial advisors to learn key aspects of wealth management, including investment and banking products and solutions, relationship building, digital capabilities and client interaction. Interns play a critical role in assisting with business development strategies, sales support, market research, portfolio construction, digital adoption and more.</p>	<p>Work with a team of specialists and leaders within a Bank of America financial center and become immersed in the banking and investment solutions for mass market, mass affluent, and small business clients. Interns have a unique opportunity to develop and fine-tune their professional skills by actively engaging with teams, enhancing the overall client experience throughout the internship, and contributing to a capstone project that impacts local business results.</p>	<p>Work with a team of specialists in a collaborative, fast-paced contact center environment. Interns have a holistic view of Consumer Investments including the investment services and offerings that specialists provide to mass affluent clients. Interns will have the opportunity to contribute to value added project work and showcase their work, job shadowing experience, and exposure to leaders within the business.</p>
