

15 TO FINISH ON TIME

The More Credits You Take, The More You Save!

Pro tip: If your school offers flat tuition take 15 to finish on time.

- It takes 120 credits to earn a bachelor's degree
- Our Max award is \$4,125 /term
- Max award overall is \$33,000

If you take 12 credits/term
you will graduate in 5
years and run out of the
TheDream.US award.

If you take 15 credits/term
you will graduate in 4 years
and save money.

For example: if using max award every term.

Credits You Take	Terms to Graduate	Cost of Tuition
12	10	\$41,250 ↵ <i>More than max award!</i>
15	8	\$33,000 ↵ <i>Covered by max award!</i>

Note: Please review your academic plan with your Scholar Advisor every term to finish on time and not run out of TheDream.US award.
