

Ms. Christina Eckstein & Ms. Kendal Cates' Class
1/11/19

Show-and-Tell Reminder/Information

Show-and-Tell is every **Thursday afternoon**.

Appropriate things to share during show-and-tell include objects found in nature, items found around the house, pictures and books. Toys are not appropriate for Show-and-Tell. We ask that your child chooses only one item to share and that it is able to fit in the cubby along with his/her lunchbox.

January 17th: beginning sound "p"

January 24th: things that "go-together"

January 31st: beginning sound "g" (hard 'g' as in gold)

Happy New Year!

We hope you all had a wonderful holiday season together. It has been wonderful hearing all about the adventures the students had over the break. With the new year upon us, 2019 has brought some changes to our class. Some students have changed schools and some have moved to different classrooms within MMS. We are very excited to welcome Matheo Ferrer-Negron to our class. Enclosed is an updated class directory.

January Unit Studies

*We are beginning the month studying the season of Winter. Snowflakes and snowmen can be found in our Practical Life, Sensorial, Math and Language works. Our science lessons will uncover what animals do in winter as we read the book *Animals in Winter* by Martha E.H. Rustad. This book will serve as the beginning of our study about hibernation. Near the end of the month, our geography lessons will take us on a journey to Asia, which will last into February.*

Important February Dates

Friday, January 18th

Teacher Work Day – No School

Monday, January 21st

Martin Luther King Jr. Day - No School

Wednesday, January 30th

100th Day of School
