

## Ms. Christina Eckstein & Ms. Kendal Cates' Class

1/25/19

We had a very tasty sound of the week last week exploring the "p" sound. The students made *posters* of "p" foods. At the end of the week the students turned into chefs and created their own individual *pineapple* or *peach pies*.

cutting the "p" foods: *pie, pretzel, pizza*

gluing on *pizza toppings*

salting the *pretzel*

adding tissue paper blueberries or cherries to the *pie*

### Parent Night

Our second Parent Night of the year is Thursday, February 7, 2019. In order to accommodate enough space for everyone, the evening is broken up into two time slots, 4:30-5:15 p.m. **or** 5:15-6:00 p.m. Please be sure to sign up for a time slot on the sheet posted on the bulletin board outside of our classroom.

Parent Night is an event for both parents **AND** students. Due to safety reasons and out of respect for all of the children in the class, siblings are not permitted to attend. Parent Night is not a time for individual conferences. If you have specific questions regarding your child's progress, please make arrangements to meet with me at another time. See you at Parent Night!

### **100<sup>th</sup> Day of School Reminder**

The 100th Day of School is Wednesday, January 30<sup>th</sup>. We will be doing work centered around counting to one hundred such as sorting and counting objects, the hundred board, and a class favorite, exercising to 100. We are encouraging the students to do a special 100th Day project with their parents by finding 100 items and displaying them in a creative way (gluing on poster board, in jars, stringing on a piece of yarn or ribbon ...). This is a totally optional activity. If you and your child decide to make a 100th Day creation, please bring it to school on the morning of Wednesday, January 30th.
