

Ms. Christina Eckstein & Ms. Kendal Cates'
Preschool class made Santa Sacks.

Below is the description that was attached to the project.

Dear Mom and Dad,

I made this special "Santa Sack" to put in old toys that I don't play with anymore or clothes that are too small for me to wear. "Santa" will take this sack to other girls and boys that do not have as many clothes and toys as I do. This will also make room for my new toys and clothes that Santa will be bringing me.

I am very excited to be one of Santa's special elves and help kids that are less fortunate than I am. Thank you for helping me with this project!

Love,

.....
