Important September Dates

Monday, September 3rd
Labor Day – No School

Spirit Week

Spirit Week gives the children the opportunity to show their school spirit by wearing attire centered around a particular theme for the day. Each class will also be collecting canned or dry goods throughout the week to be donated to a local charity.

Monday, September 10th: Pajama Day
Tuesday, September 11th: Patriotic Day
Wednesday, September 12th: Dot Day
Thursday, September 13th: Superhero Day
Friday, September 14th: Blue and White Day

Friday, September 21st
Picture Day

Thank You!

Thank you to all the families who donated items for our August activities. Our September signup sheet will be posted Tuesday morning. Thank you in advance for your generous donations!

Unit Study News

We had a lot of fun exploring our five senses. Enclosed in the take-home folder is your child's Five Senses project. Next week I will be sending home information about the Sensorial area of the classroom with pictures detailing some of the works.

On our "sense of taste" day, the students sampled sour, sweet, bitter and salty foods. The lemon pictures are always the best!

We are going to continue our study of the human body into the month of September in conjunction with our food group/nutrition unit. Be on the lookout for some great pictures of our "Anatomy Apron" and "Body Mapping" works.
