

Computer Giveaway Program

We are **Computer Reach**. We distribute FREE desktop computer bundles to people in the Greater Pittsburgh Area every week. Don't miss your chance to receive one!

"COMPUTER GIVEAWAY" PROGRAM Registration and Pick-up Instructions

The "Computer Giveaway" Program (formerly called the "Computer Lottery" Program) awards free computer bundles to area residents who struggle to afford a computer. We produce reliable refurbished desktop computers via donations from local schools and businesses and distribute them free of cost to people that do not own computers.

Here are some important things to know:

1. You will start with a phone call to our team at 412-690-0035. Our Digital Navigator will set a plan for your award pickup site and date using the text and email addresses you provide during your intake conversation.
2. We schedule awards weekly based on the available computer inventory and that you live in Western Pennsylvania. If you do not reside in our service area, we will not be able to help you.
3. You will need to pick up your computer bundle at an assigned location near you. We cannot ship or deliver computers to your home.
4. The computers are in a bundled box with all supplies and Quick-start instructions with contact information for the 2-year warranty and phone support.

5. The computers are **NOT** laptops, they are refurbished desktop computers running Linux (not Windows or Mac). The computers have 18 free-of-cost apps/links on the desktop screen.
6. Computer bundle boxes include the computer, a flat panel monitor, keyboard, mouse, mouse pad, setup flyer, all necessary cables & info about our Wifi program.
7. We look forward to hearing from you. To get started please leave a voicemail message at 412-690-0035, Option #1, for our Digital Navigator to call you back to complete your registration.
8. Right now we have many sites across Western Pennsylvania where you can pick up your computer. More sites are coming in 2026stay tuned!
