Early Learning 102:

Classroom Management Made Easy!
*For Expanded Learning Site Staff, Schools
& Charters!*

Get ready for a dynamic, hands-on workshop designed to transform your early learning classrooms! Join us for Early Learning 102, where you will gain essential tools to create positive, engaging environments that support the diverse needs of every child.

What you will learn:

- Behavior Basics: Understand the “why” behind behaviors and apply strategies to support student success
- Social Emotional Learning (SEL) Skills: Help young learners build self-regulation through social-emotional learning practices
- Classroom Routines: Discover effective routines and supports to keep all students engaged and your programs running smoothly

Why Attend?

- Boost Classroom Dynamics: Create a welcoming space where every child thrives
- Build Positive Relationships: Foster meaningful connections for better student engagement
- Gain Practical Tools: Leave with actionable strategies you can implement immediately!
