# ENHANCE YOUR SUCCESS

## HAVE A BOOTH DRAWING

Have attendees fill out a form or leave a business card for a special prize that you award at your booth.

## INCORPORATE THE THEME

This year's theme is "Play Ball with HR" so be creative and incorporate our theme with your giveaways. If you need some help stirring those creative juices, we have a number of ideas we would look forward to sharing with you. The conference will be held September 20-22 in Overland Park, Kansas.

## PLAN SPECIAL DEMONSTRATIONS OR GAMES AT YOUR BOOTH

Do you have a product that begs to be shared? Think of demonstrating your product or service at your booth. Or you could offer some type of game designed around your product or service that draws a crowd.

## HAND OUT PROMOTIONAL MATERIAL

Who doesn't love something for free? The advantage of promotional material is customizing it to get your company's name out there. A new trend is to put your marketing materials on a USB drive and give it away. It saves trees and it's also a nice giveaway that can be reused!
