

the GIFT

OVER THE PAST 18 MONTHS our church has been experiencing unprecedented growth. In that span of time, Wesley Memorial has added 115 new church members. And the numbers continue to grow at the time of this publication. Because of your generosity, you have helped facilitate community outreach experiences such as:

outreach
and
hospitality

Classic Car Cruise-In: This event attracted over 500 people and more than 50 show cars, motorcycles (and even a boat!). Local businesses supported our door prize giveaways, and 150+ toured the Sanctuary for the first time. One man commented, “I’ve driven by this church thousands of times, but I’ve never been inside!”

Lifting Up Educators Sunday: Over 250 educators and their families participated as our church encouraged and blessed local educators with free gifts and a meaningful worship experience.

outreach and hospitality

Drive-Through Christmas Experience:

More than 200 cars drove through our church campus as we brought to life the greatest story ever told through audio narration and Christmas lights.

Sunday Worship: Our average Sunday (in person) attendance has grown from 397 in the year 2021 to an average of 415 in 2022 (so far). Wesley Memorial's virtual worship participation (live stream of 9:45 & 11:00 and television) reaches more than 4000 people each month.
