

# the GIFT

The Adult Spiritual Formation Team exists to augment the scriptural lessons received from the pulpit through the development of Sunday school classes, as well as other small groups that study Scripture, and through special presentations that are designed to grow and improve the spiritual life of the entire congregation.

## ADULT SPIRITUAL FORMATION

Sunday School Classes, Adult Bible Studies, Disciple 1 Bible Studies, Women of Wesley Bible Studies, Special Speakers and Training Events, Unity Groups, Journey Groups, creation of Advent and Holy Week devotionals using the writing skills of our members, and Prayer Workshops have been some of the recent ministries supported by the Adult Spiritual Formation Team.

We have room for more text... if someone could write just a little bit of copy about Adult Spiritual Formation, it would be great! We have room for more text... if someone could write just a little bit of copy about Adult Spiritual Formation, it would be great!

“ At its best, in a small group study over a number of weeks, [Disciple Bible Study] can become a spiritual communion that is really like no other. The meetings become an integral part of your spiritual life, and the friendships formed can last a lifetime. ”

– Tucker Mitchell, Wesley member and Disciple I teacher
