

wesley memorial school

NURSERY • PRESCHOOL • KINDERGARTEN

Opening Day has arrived and WOW we couldn't be more excited. The Lord has blessed Wesley Memorial School for 59 years. Little lives have been nurtured and loved. This 60th school year will be no different. Teachers have been preparing their classrooms, planning activities for learning and fun, participating in workshops, and spending time getting to know each other. It is our honor to partner with parents for their child's spiritual and educational journey.

**ALL are INVITED
Prayer Service
Friday, September 9
9:15-9:30 in the Sanctuary**

**A Simple
Gesture**

WMS will continue to participate in "A Simple Gesture". "A Simple Gesture" is a local nonprofit that helps keep our local food pantries stocked and provides boxes of food for pediatricians and obstetricians to give to patients and families who do not have enough food. Each child is asked to bring one non-perishable item a month. 10 FULL bags (plus more) of food will be picked up monthly by "A Simple Gesture" volunteers.

**Thank you to the Sage & Spice Mentors for
Hosting our Welcome tables offering coffee and water for our parents and grandparents as
they dropped off their little ones.**
