## The Governor's Message

Suzanne Allred, District Four Governor

Greetings Altrusans,

It's Altrusa District Four Conference time! And I am getting excited. It seems like forever since we have seen each other and I have missed y'all!!

I want to take this time to give everyone a special invitation to attend our conference in Kingsport Tn. this year. Hopefully by June most all of us will have received at least one magic shot if not two. Let me assure you, we will still do everything possible to social distance and keep us safe. Our meeting area is huge with plenty room to spread out. The MeadowView Conference and Resort is the largest conference site we have ever used. The staff has assured the use of all CDC guidelines are in place for our safety. May 20th is the last day to register/reserve your room at the conference rate, so you still have time to decide.

I would love to have a nice crowd in attendance to welcome in your new Governor Susie Quillen as well as vote for your new District Board and Foundation Trustees.

Kingsport is working hard to present a great conference, they have chosen great speakers and have fun entertainment for everyone to enjoy.

So make your mind up! and I hope it's "YES I'm going to conference this year!!!"

Hope to see you in Kingsport Tn.

Your Governor in Everything Altrusa!

*Suzanne*

## Conference Invitation - Regina Lawson

Come to the mountains with your Volunteer State of Mind!

Kingsport has a rich history that you will learn more about during your visit. In 1787, It was originally known as "Salt Lick" for an ancient mineral lick and it was first settled along the confluence of the North and South Forks of the Holston River. It served as an important staging ground for pioneers who were traveling west overland on a route to Kentucky laid out by Daniel Boone. Kingsport (originally King's Port) was an important shipping port on the Holston River that loaded goods from the countryside on barges that were shipped to a port in Knoxville. In 1917 (the same year Altrusa was formed), Kingsport was chartered as an early example of a planned city which was laid out with areas for commerce, churches, housing and industry, giving it the nickname of the "Model City."

Regina Lawson,  
Conference Chair  
Altrusa International  
of Kingsport, TN

Today, Kingsport is a city of 50,000 residents and has several industries, the biggest of which is the headquarters for Eastman Chemical Company. Pal's Sudden Service, a regional fast-food chain, also has its headquarters here. Our downtown area is filled boutiques, restaurants and antique stores. Kingsport also is home to some "homegrown" notable restaurants such as Pratt's Barn BBQ and Rush Street.

The Meadowview Marriott, which is the location of the conference, is surrounded by the Cattail Golf Course for those who would like to come early or stay late for a little relaxing exercise. The hotel is very well-appointed and our conference space with the theatre-style general meeting room, our dining space and meeting rooms is very easy to access.

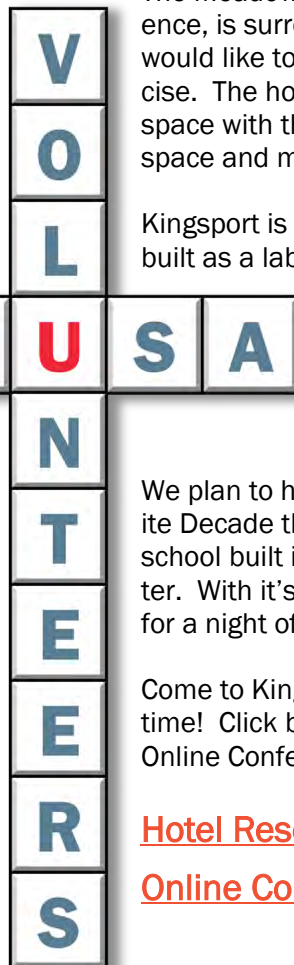

Kingsport is also home to the Kingsport Carousel, which was built as a labor of love by artisans far and wide. There are 32 whimsical, platform animals and two chariots that are hand-carved and painted and are a delight for children and adults to ride for the "hefty" price of \$1! Ask Suzanne about her trip there!

We plan to have a Friday Fun Night with a Dress in Your Favorite Decade theme at the Renaissance Center, which is a former school built in the 1930's that now serves as a community center. With it's beautiful 3-story atrium, it will be a beautiful spot for a night of fun!

Come to Kingsport in June - you'll have a wonderful Altrusa time! Click below to connect with Hotel Reservations and Online Conference Registration.

## The District Four Traveling Quilt is on the move!

Last year, clubs personalized quilt squares that were taken and created to make the "District Four Traveling Quilt". ## In Loving Memory

It's important to honor the memory of those who are no longer with us. Each year, a time is set aside during our yearly District Four Conference to remember the Altrusans that have passed. This year we will be remembering those who passed during this biennium (2019-2021). Please submit memorial information (picture and biography) to Sharon Sessions ([sharonsessions46@yahoo.com](mailto:sharonsessions46@yahoo.com)) or Kristit Dennison ([kristydennison1@gmail.com](mailto:kristydennison1@gmail.com)) on or before May 1st to be a part of this year's memorial service. Memorial forms can be accessed on the box.com site or by clicking [HERE](#).

Her duties included creating budgets and writing grants for the program, as well as providing fiscal and programmatic oversight to other grants held by the college. For many years, she was responsible for hundreds of thousands in annual funding. She served on her professional board at the state level for many years, including a two-year term as president. Her duties included serving as chair for state, regional, and national conferences, with registrations of over 1,200.

In the community, Karyn has been active in civic and social organizations and is currently serving as the Secretary for a local Chamber of Commerce. Other organizational commitments included President of a local foundation board, Leadership Highland and Leadership Adams, offices in the University Women, Girl Scout leader and Service Unit Director, and many others. Through church, she has served as Education Director, Sunday School teacher and superintendent, Bible School teacher and director, as well as Ladies Circle President, Vice President, and Secretary. She has been actively involved in a variety of charities.

Personally, Karyn is married to her high-school sweetheart. They have five children, sixteen grandchildren, and two great-grandchildren. She loves to read, travel, crochet, sew, quilt, and do crafts of all kinds. She is currently taking quilting classes.

## ARE YOU A VIP?

**District Four Foundation VIP Donations** - Suzanne Allred, District Four Governor

There are different ways to save your money to make your donation for the District Four Foundation (DFF) VIP Membership. If you are a **Prissy Paula**, you can put it in a piggy bank. If you are a **Frumpy Flow**, you can put it in a fruit jar. But when you save it, and don't want to spend it, or hide it, so nobody else will now you have extra cash on hand, you can be a **Lucky Lucy**, and hide it in your panty drawer.

*And now for the rest of the story...*

Not a DFF VIP Member? It's easier than you might think. There are many different ways to be a member:

- You can donate the full \$100.00 by mailing a check to the foundation treasurer.
- You can donate what ever you can afford over a period of years, and the year you reach \$100.00 you will receive your pin that year.

Regardless, you will get a reminder and mailing information each year in the call to conference. You will also receive your pin either through the mail or at conference. You will receive only one pin, but you will receive a guard for increasing steps: Bronze, Silver and Gold.

So, remember to make that commitment. Donate what you can. Oh, I forgot a part, you can even donate more than \$100.00 each year if you want too. We'll take that too!!

Thank you.

## WWOW, Let's Read -

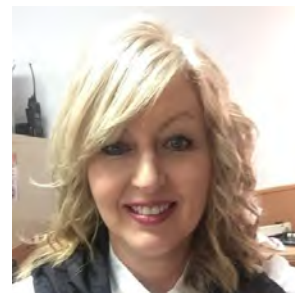

### Debbie Moore

My name is Debbie Moore. I am a Family Liaison to over 800 teens/preteens and their families at a Title 1 middle school. I work with student and their families on different levels based on their needs. Working to increase school Attendance, creating 504 Individual Plans for students with disabilities, and providing direct and referral services for basic needs of food, shelter, clothing are a few ways in which I serve the students and families in my role.

Finding ways to connect with families and students and support both their cognitive and academic growth is a passion. Due to the Corona Virus and the virtual learning, this school year was imperative in connecting with families and students. This led to Warrior Words on Wheels (W.O.W.). This is a traveling outreach in which we take books, stem activities, and snacks to our families. This program has allowed us engage and build relationships with our families who we would not otherwise reach.

I am a licensed Master level Social Worker. I received both my graduate and undergraduate degree in Social Work from ETSU. I am currently the chair for an outreach for grandparents raising grandchildren called *Grandfamilies Network*, a collaboration with United Way. I facilitate several programs including a morning "REGROUP" and a "Teen Space" for our students and was the recipient of the Parent/Engagement Community Engagement Award.

In my spare time, I love to read and discover new authors. I am a member of multiple online book clubs and love hearing others share their love of reading. I am the proud mother of two boys and one grandson. I have two granddaughters due in April!

## The Bridge Back - Tabitha Sells

Tabitha Sells, Founder of New Maven Macs

Our speaker for Saturday's Awards Luncheon will be Tabitha Sells, the founder of New Maven Macs. Tabitha is a Graduate of the University of Tennessee with a Masters of Human Resources. She attends Harvest Community Church where she is the Director of KidStuf Family Ministry. She volunteers at Families First and is a graduate of Leadership Kingsport. She is the Former Board President of Kingsport Tomorrow and Family Promise of Greater Kingsport. Tabitha is a wife and mother.

The dream for the social enterprise of New Maven Macs was birthed in early 2018 in a women's detention center in East Tennessee. It was there that Tabitha was helping lead a weekly life skills class for women affected by substance abuse. She heard the women's repeated concerns about what employment opportunities would be available to them after their release.

And so, New Maven Macs was established for the sole purpose of being one (delicious) piece of a network of healing, hope, and opportunity for women in East Tennessee; becoming a rising tide of hope and a trusted point of re-entry into the workforce and our community.

When you purchase these delicious macarons, you automatically join the employees, volunteers and community partners in forming a network of support and opportunity for the women we love. When you purchase a New Maven "mac", you become a community advocate, encouraging another woman to become a new maven.

New Maven Macs partners with other organizations in the area and relies on community volunteers, as well. They would also appreciate our support in providing some items that are needed on a daily basis. Please help us show them some Altrusa love by donating any of the following items:

- ◆ Paper towels
- ◆ Granulated sugar
- ◆ Powdered sugar
- ◆ Almond flour

These items will be presented to New Maven Macs at our Awards Luncheon.

Thank you so much for your generous support!

## 2021 International Convention – Lisa Boyd, International Service Program Development Committee, Chair, Convention Committee, Chair

On behalf of the International Convention Committee, we invite you to join us at the Hilton Charlotte University Place, Charlotte, NC, for the 2021 Altrusa International Convention, July 28-31, 2021. We hope that you will make plans to visit Charlotte, also known as the Queen City, and experience all that it has to offer. And let me tell you, Charlotte's got a lot.

Once determined that International travel would not be feasible for 2021, changing our destination to Charlotte was an easy choice. You'll find our venue, the Hilton Charlotte University Place, offers superb accommodations and ample amenities, and is situated in a great location.

Conducting the business of this great organization is of extreme importance, but there are so many other reasons to attend: election/installation of a new International President and Board of Directors; recognizing outstanding contributions made by Altrusa and ASTRA Clubs; updates from the Altrusa International Foundation; participating in exciting workshops, to name a few.

## IS YOUR CLUB AN OUT-STANDING ALTRUSA CLUB?

Recently Governor Suzanne Allred sent an email containing the award information/submission form to all club presidents in regards to the 2021 Governor's Outstanding Altrusa Club award.

*Note from District Four Governor Suzanne Allred*

I encourage all 13 clubs of Altrusa International District Four to send an entry for this award application. Completing this form will also assist you in submission of the Club Annual Report in 2021 as some of the same information is requested.

In applying for this award, it is a way of showing your service to your community and beyond and allows recognition for all that you do. I encourage you and your members to take every opportunity to continue *Making Dreams Come True!*

## 2021 International Convention (cont.)

Drawing on our tenets of inclusion and flexibility, plans are in the works to offer a virtual convention experience for Altrusans who are unable to travel.

*Please mark your calendars, save the date, and plan to join us in the Queen City!*

### PARTING IS SUCH SWEET SORROW...

Even though Shakespeare penned the famous words of parting, Winnie the Pooh said it best, "How lucky I am to have something that makes saying goodbye so hard". For the past four years, I've been lucky and blessed to hear from Altrusans all over District Four, and further, with updates and articles for the DSB. It's a true joy to see what everyone is doing and the things they are accomplishing, especially through this pandemic. That being said, it's time to pass this position along to the next Editor, who I know will do a great job.

During my time as editor, I can say I've learned some new things. I've met some great people. I've gone through three computers. And, I've realized people do know Jack!

So here's a big **THANK YOU** to everyone who has helped bring the DSB's to life over the last two bienniums.

See you soon,

*Pam*

*thank  
you*

# Altrusa International Foundation

## Clara Bennett, International Foundation Liaison

Hello one and all,

Let me introduce myself, I am Clara Bennett, your International Foundation Liaison. I missed getting to see all my friends at Conference this year, but it just wasn't meant to be!

Because of the Covid-19 Virus this year we missed a lot of things, graduations, vacations, weddings and even the birth of some new family members. Hopefully that is beginning to change and we can once again get out and have our hair done, go out and eat, have our Altrusa meetings again. One thing we did miss at conference this year was the International Foundation Salient Auction. This serves as an important factor to our conferences, and is predominate fund raiser for the Foundation.

I wish to make a few suggestions to you and your club members to use as food for thought. Do an internal silent auction in your club. As a starter you have the item your club was to bring to conference. Gather several more items, and have a fun time with your own silent auction. This would be a great program night in starting our meetings again.

We have Luci Lights, solar lights sale for \$20.00 ea. New are the Luci Lights that are chargeable and come with a USB cord. \$40.00 ea. These are available through order from Altrusa International Foundation. Club 21. Is your club a member? Club membership is a donation of \$210 a year. If you have not renewed this year now is the time to do so. First time club membership you receive a patch for your club banner. Are you a Club 21 member? If not its \$21.00 a year and now is the time to renew also. If you are a first-time member you will receive a 21 Pin to wear with your other Altrusa pins.

Think outside the box, if your club plans to do something special, have fun or if you wish just make a club donation. These are only suggestions, if you would like to do something special for International Foundation.

I do hope this finds everyone doing well, staying at home as much as possible and staying safe if you go out!
