VOLUME 22 JUNE 2026

Celebrating 2025–2026 Annual Report

The Impact

Message from the Foundation Chair: LaVone Arthur

It's hard to believe that the first year of our 2025–2027 biennium is already behind us—and what a remarkable year it has been! We began the year with an inspiring Altrusa International Convention in Quebec City and have since completed fourteen District Conferences around the globe. This feels like the perfect time to reflect on the accomplishments of the past year while looking ahead to the months to come as we continue to serve, give, and transform lives through the work of the Altrusa International Foundation.

In this special edition of The Impact, we celebrate the achievements of 2025–2026 by sharing a year in review. We are proud to recognize our Cycle One and Cycle Two Grant Recipients, highlight the tremendous fundraising success achieved during our District Conferences, and acknowledge the dedication and hard work of our Foundation District Liaisons.

Most importantly, we extend our heartfelt gratitude to our donors. We proudly recognize our Club 52 Charter Members, welcome our new Lamplighters, and celebrate our continuing Lamplighters. Your generosity and commitment make our work possible and help us create lasting change in communities around the world.

I would also like to take this opportunity to thank our hardworking and dedicated Board of Trustees—Anne Condran, Dorothy Bowen, Melanie Hodges, Sherral Nelson, Shannon Schell, Connie Stoker, Jane Hart, Karen Robinson, Kitty McElhaney, and Martha Hofmeister—for their unwavering commitment to ensuring that the Foundation remains effective, ethical, and impactful, fulfilling its mission today while safeguarding its future.

Finally, I extend my heartfelt appreciation to Dr. Kantrice Rose and Natalia Lopez, whose dedication, professionalism, and tireless efforts make all that we do possible. Their contributions are invaluable to the success of the Foundation and the lives we are privileged to touch.

Thank you for your continued support, commitment, and belief in our mission. Together, we have much to celebrate and even more to accomplish. Here's to 2026–2027 and another extraordinary year of service, generosity, and impact!

A Growing Impact

The success of the 2026 District Conferences is about far more than numbers. Each dollar raised represents opportunities.

Together, Altrusans transformed Conference enthusiasm into meaningful support for programs that change lives. Thank you to every donor, Conference attendee, District leader, Foundation District Liaison, Lamplighter, Club 52 members, and volunteer who made this record-breaking year possible.

Your generosity continues to illuminate pathways to service, education, and opportunity throughout the world.

WHY I GIVE...
Debbie McBee, Altrusa International of Pendleton, OR

Debbie McBee

My first International Convention—and my first opportunity to truly understand the impact of the Altrusa International Foundation—was Altrusa's 100th Anniversary Celebration in Nashville, TN. It was educational, impactful, inspiring, fun—and, if I'm honest, a little overwhelming. I went to honor a century of Altrusa service, but I left deeply moved by what is possible when Altrusans unite their hearts, talents, and resources in support of others.

During the Convention Foundation fundraiser, I learned more about the Altrusa International Foundation, the Lamplighter Program, Club 21, and the many ways the Foundation supports Altrusa service around the world. I had never participated in a paddle raise before, but as I listened to the stories and watched members give generously, I got caught up in the excitement of the giving by those around me. I found myself raising my paddle and making a $500 donation. It wasn't planned. It came from the heart. That moment stayed with me so powerfully that I have made it a priority to budget for the same gift every year since.

(Continued from page 3)

I continue to give because I know the Foundation's purpose is pure and its impact is real. I have seen firsthand what those donations make possible. Nine years ago, when my club launched a project to provide clothing, tents, sleeping bags, and hygiene supplies to sixty homeless students, the first major donation we received was a $4,400 grant from the Altrusa International Foundation. I've seen Foundation disaster relief dollars help a community in our District recover after devastating wildfires. I've seen how Club 21, now Club 52, donations help children facing illness experience the simple joys of childhood through camp programs. Behind every grant and every gift is a person, a child, a family, or a community whose life is a little better because we, as Altrusans, cared enough to give.

When I donate, I know some of those dollars may support my own District, while others will reach people and communities I will never meet. What matters most is that every dollar we donate is transformed into hope, opportunity, comfort, and yes, club service. I hope each of you will join me in supporting the International Foundation with a gift. No gift is too small—whether $20, $52, $100, or $500—because together we carry forward Altrusa's 109-year legacy as a powerful and enduring force for good in this world.

Changing Lives Through Service:
Celebrating the 2025–2026 International Foundation Grant Awards

Meet Your 2025-2027 Foundation District Liaisons

Foundation District Liaisons (FDLs) serve as a vital link between the Altrusa International Foundation, District leadership, and local Clubs. Appointed by their District Governors for a two-year term, they act as ambassadors for the International Foundation, keeping Altrusans informed about scholarships, grants, awards, disaster relief efforts, fundraising opportunities, planned giving programs, and other International Foundation initiatives. Through their communication, outreach, and leadership, FDLs connect members with meaningful opportunities to support and advance the International Foundation's mission.

We invite you to get to know your District's FDL:

Thank You, Altrusans

Every grant awarded during the 2025–2026 year began with a donor who believed in the power of service. Whether through a small gift, a Club 52 membership, a Lamplighter contribution, or District Conference fundraising, Altrusans made these opportunities possible.

Thank you for investing in service, education, scholarship, and opportunity. Because of your generosity, lives are being changed every day.
