

Brian Foley - 2025 NVFC Election Bio Sheet
Seeking Re-Election as Director at Large - EMS/Rescue Section Executive Committee

Brian P. Foley is the Deputy Chief of the East Windsor Township Rescue Squad District II in East Windsor, New Jersey, and a past Fire Chief in East Windsor. He remains an active Firefighter/EMT in his hometown of West Windsor, New Jersey.

He holds a bachelor's degree in Human Resource Management and Entrepreneurial Studies from Rider University. Brian is certified as a New Jersey Division of Fire Safety Fire Instructor 1 & 2, an EMT, and a FEMA & NJSP Incident Command System (ICS) Instructor.

Brian has represented the State of New Jersey as the New Jersey Director on the NVFC Board for the past five years. Since 2015, he has served as a Director-at-Large on the NVFC EMS/Rescue Section Executive Committee.

Brian is seeking to be re-elected to the National Volunteer Fire Council's EMS & Rescue Section Executive Committee as a Director at Large. Brian's platform and section goals for the next two years will be to partner with emergency medical services stakeholders to advance beneficial legislation at the local, regional, and national levels. Brian plans to enrich professional development programs to reach and advance EMS practitioners and focus on diversity and inclusion in the emergency medical services field.

Recent Notable Work Groups, Events Attended, and or Presentations:

- NVFC Technology and Communications Committee Chair
- NFPA 1917 (Standard for Automotive Ambulances) Alternate Technical Committee Member
- NFPA 1802 (Electronic Safety Equipment (FAE-ELS) Alternate Technical Committee Member
- 2024 NVFC Training Summit Presenter, Balancing Flames and HR Frames
