OUR STORY

Taylor McKeen Shelton was the healthy 14-month old son of Dr. Wes and Ella Shelton of Rogers, AR. In June of 2013, Taylor went to bed and without warning or reason, he never woke up. The Taylor McKeen Shelton Foundation was established in loving memory of Taylor. Since that time, we have raised over **\$962,000** for SUDC research and awareness and for the communities who have and continue to support us.

OUR MISSION

- Increase **awareness** of SUDC
- Fund crucial **research** into causes and prevention of SUDC
- Support needs of **families** impacted by SUDC and similar tragedies
- Give back to **communities** and organizations across the state of Arkansas

OUR CONTRIBUTIONS

- \$440,000 to the SUDC Foundation
- \$150,000 to Arkansas Children's Hospital Northwest including the TMSF Endowment
- \$50,000 to the Ronald McDonald House at Mercy Hospital in Rogers
- \$26,000 to the Cribs for Kids initiative at White River Health System
- \$25,000 to the Batesville Aquatic Center

Sudden Unexplained Death in Childhood (SUDC) is the sudden and unexpected death of a child 12 months and older, which remains unexplained after a thorough case investigation is conducted.
