We will be introducing the Fire Department's new Community Risk Reduction Program Manager, Marie Guma, and her role in our community. Our vision is to create a program whose foundation is education and prevention. We adopt the proverb that "IT TAKES A VILLAGE" to create a safe and healthy environment for our families and our children.

**We want to hear from you. What are your families concerns?  
Ideas? Topics you would like more information on?**

### Marie G. Guma, MS

Marie G. Gumá was born in Caracas, Venezuela. Her family moved to Miami, Florida when she was 3 years old. Marie attended Westminster Christian High School and later attended Barry University where she majored in psychology. Marie obtained her Master of Science and Doctoral coursework in Clinical Psychology at Carlos Albizu University graduating Cum Laude and a member of the Honor Society (PSI CHI).

Marie is a well-known and experienced professional in the substance abuse community in South Florida. She began her career providing psychological therapy to the underprivileged youth in Miami-Dade County. She has spent years building relationships nationally as an executive in the substance abuse field and has created a name for herself due to her professionalism, ethics, experience and passion. Since 2011, Marie has been an advocate, educator, resource and clinical consultant for many South Florida Fire and Police Departments. In 2015, Marie became a founding member of the Key Biscayne Teen Talk Initiative. Marie helps to manage the Clinician Awareness Trainings for the Florida Firefighters Safety and Health Collaborative. She is also a proud and active member of the Clinical Response Team for Coral Springs Parkland Fire Department. She holds high standards for herself and the organizations she relates to.
